Excellent PRO Builder Gel With Thixotropy Milky Hexagon 15g

Cena

35,00 zł

Opis produktu

EXCELLENT PRO THIXOTROPY GEL WITH EFFECT MILKY HEXAGON - to jednofazowy, mlecznobiały żel z dodatkiem drobin brokatu o różnych kształtach i różnej wielkości. Dodatek brokatu pozwoli na wykonanie stylizacji bez konieczności użycia hybryd, co znacznie skróci czas wykonania manicure. Produkt ten będzie również świetnym podkładem pod różne zdobienia, np. french. Samopoziomujący żel o właściwościach tiksotropowych sprawi, że praca nim będzie przyjemna i szybka, bez obaw o zalanie skórek. Idealnie sprawdzi się także w metodzie "bez piłowania". Bardzo odporny na uszkodzenia mechaniczne, twardy żel gwarantuje, że stylizacja będzie niezwykle wytrzymała i trwała.

Uwaga ! Aby uzyskać jak najlepszą przyczepność żelu oraz ze względu na zawartość drobin przed nałożeniem zalecamy wykonać wcierkę z przeźroczystej bazy. Rekomendujemy użycie Excellent PRO One Coat Multifunction Grafen Base.
